

Everett Street Diner

Food is Enjoyed – Family is Cherished – Faith is Immutable

The Everett Street Diner's Promise

- We will continue to be a leader in safe sanitation practices. Most of our staff are **ServSafe** (servsafe.com) certified.
- We will have a certified **ServSafe** manager on every shift.
- All staff will complete a health survey prior to each shift. Symptomatic employees are not permitted to work.
- We are observing best practices in food handling and taking all additional precautions.
- We are wearing appropriate apparel for safety, including face masks and gloves. The gloves are changed frequently: Delivering food to your table, changed again after delivering; changed after clearing a table; and as appropriate when clearing unwanted plates from a table.
- All seating options will comply with the appropriate physical distancing guidelines.
- Hand sanitizer or hand washing stations will be available upon entry and exit for guests and staff.
- We will clean and sanitize common areas, bathrooms, and high-touch surfaces regularly – using the CDC recommended sanitizing products and practices.
- All tables and hard surfaces will be cleaned and sanitized after every use.
- Place settings, utensils, menus, and condiments will either be single-use or will be cleaned and disinfected after every use
- For your safety and convenience, we continue to offer takeout and delivery. Please call the Diner (828.488.0123) to place your order.

THANK YOU FOR YOUR CONTINUED SUPPORT
